

Narciso is a professional manicure unit complete with suction and pull-out trolley. Upholstered in white laminate with rounded oak-coloured sides. The Narciso trolley in white laminate is completely removable and is equipped with wheels, drawer and hinged door. Laminate top complete with grating and 2 filters: one anti-odour and the other for suction (with cleanable bag). Narciso is equipped with a side expo with LED lighting. Space for power sockets is easily accessible

The information contained in this technical document is correct and accurate to the best of our knowledge, and should therefore be considered reliable. In any case, they cannot imply a guarantee on our part, as certain factors such as the working of the products, are outside our strict control. It is responsibility of the user to verify the suitability of the products for the specific use, as well as the precise and accurate installation in accordance with the guide-lines provided within the instruction manual and according to the current regulation regarding the purpose of the business activity. It should be noted that the packages indicated may vary due to the production efficiency improvement.

This document replaces all previous versions. For further information it is recommended to contact our sales department.
